

EYE ON WATER

Did you know that most of our customers have electronic meters throughout the District in order to remotely read your water meter? Did you also know that this system also allows you to monitor your water usage through this service? This service is Eye On Water. Eye On Water gives you direct access to your water usage details and provides tools to help you use water more efficiently. Eye On Water lets you see how much water you're using and can even alert you to possible leaks on your property.

There are several ways to access Eye On Water to monitor your usage and meter readings.

- Go to www.waterbillonline.com press the "Eye On Water" button.
- Go directly to "Eye On Water" directly at www.eyeonwater.com.

Once at Eye On Water, you will need your water bill for information to create an account. The only information needed is the billing zip code and the account number on your water bill. **Please note the billing account number must be entered in a specific manner as shown below.**

Enter your billing zip code.

Enter your account number as shown below:

Your, Name

MAKE CHECK PAYABLE TO: YOUR U.D. P. O. BOX 759 CYPRESS TX 77410	SERVICE ADDRESS		ACCOUNT NUMBER
	44654 Any Street		90006-0042930201
	SERVICE PERIOD	FROM TO	BILLING DATE
	04/15/19	05/15/19	05/20/19

On the bill above, the account number is shown as 90006-0042930201

You need to drop the first 5 numbers and insert the dashes after the third and after the eighth digit. In the example given above the account number would be enter as **004-429302-01**

The instruction above is very important to gain access. Your account number must be entered correctly as shown above

After you have entered this information, you can continue to create your account.

If further assistance is need with setting up your Eye On Water account, please call your Water District Office at (281) 469-2837.
